Poem

"Without my Anchor"

Without my anchor I am lost at sea
Without my anchor I sail without a port
Without my anchor my dog
He was my anchor in everyday life.
He anchored me to the present/moment/this
moment
He was my anchor on a leash
Without my anchor I have no main purpose
forward
Left except with many small things yet
Without my anchor
Without my anchor I drift at sea
Without my anchor my beloved dog.
